

**August 2017**

**CIB Encouraged Journal  
BEPAM, Built Environment Project and Asset Management  
Free access in August**

We are pleased to alert you to free access this month of August, to 10 selected papers of this year [so far] in the CIB encouraged journal of Built Environment Project and Asset Management, popularly known as BEPAM.

Some of the 10 papers below may be of interest to you. So we hope that you would not miss this chance to look into them freely now. Please also consider submitting your significant research outputs to BEPAM at the next opportunity. For information on submission, please see [BEPAMs author guidelines](#) and proceed to [ScholarOne](#) to submit your work.

You are also invited to also consider submitting relevant work to BEPAMs ongoing Special Issues:

- [Built Environment Sustainability: What's New and What's Next?](#)
- [Rethinking Construction Productivity Theory and Practice](#)
- [Service innovation through linking design, construction and asset management](#)

The following articles are available on free access from the 1st Aug. until 1st Sep. 2017:

Article	Author
<a href="#">Integrated solutions for total asset management through "RIVANS"</a>	Hedley Smyth, Aaron M. Anvuur, Illona Kusuma
<a href="#">Success criteria of toll road projects from a community societal perspective</a>	Mohammad Arif Rohman, Hemanta Doloi, Christopher

	Andrew Heywood
