

**January 2017**

## **Joint Conference CIB W117 – Performance Measurement in Construction**

# **International Best Value Conference** *January 22 - 26, 2017 in Tempe, Arizona USA*

### **Introduction**

This conference is four days of training which is comprised of presentations, training exercises, Q&A sessions, and group collaborations from world-class educators on the process and latest innovations of the Best Value Approach (BVA).

Experts from all over the world come to receive a unique education on procurement, risk management and project management that cannot be found anywhere else.
