

October 2017

**CIB TG94 Co-Organised
International Forum on Healthy Human Settlements and
Industrial Development
16-17 November 2017, China**

Appreciable Human Settlement Health

Introduction

On 16 and 17 November there will be the International Forum on Healthy Human Settlements and Industrial Development & the Ninth International Forum of Theory and Practice on Healthy Housing.

This Forum will be sponsored by the China National Engineering Research Center for Human Settlements, Architectural Society of China (ASC), China Real Estate Association as well as China Industry Technology Innovation Strategic Alliance for Housing.

For the purpose of "Creating Healthy Human Settlements, Developing a Healthy China", the forum, entitled with "Appreciable Human Settlement Health", attracts numerous experts on such a field at home and abroad, so as to in an joint efforts establish an exchange platform for healthy human settlement technology which pursues academic principles and plays a leading role in the field.

CIB, International Council for Research & Innovation in Building & Construction, Task Group TG94 – Healthy Town will co-organise this event.
