Special issue Compliance Checking
The Journal of Information Technology in Construction (ITcon) is preparing a special issue to feature latest and innovative research work on Compliance Checking in the AEC/FM domain.

If you are working in this area of research and have something to contribute, this is an opportunity to publish your work. All submissions are subject to the normal review process and must satisfy all other standards and expectations of the journal.

If you intend to submit a paper in this Special issue, you can notify ITcon by sending an email to Mr Johannes Dimyadi by March 31, 2016.
Email: j.dimyadi@auckland.ac.nz

All papers for this Special issue must be submitted for review by 1 July 2016. For further information visit the ITcon website.

CIB Recognised and Encouraged journals
The Journal of Information Technology in Construction is one of the 25 journals that are Encouraged by CIB. For a complete list of CIB Encouraged journals, CIB Recognised journals, and information on these journals see here.
