Call for abstracts

World Sustainable Built Environment Conference 2017

5 -7 June, 2017, Hong Kong

Call for abstracts WSBE17

You are invited to submit abstracts for the World Sustainable Built Environment Conference 2017 Hong Kong (WSBE17 Hong Kong).

SBE17 Hong Kong concludes the international [conference series](#) (SBE16-17).

The theme of the conference is "Transforming Our Built Environment through Innovation and Integration: Putting Ideas into Action". Presentations and exchanges at WSBE17 Hong Kong will focus on innovative and integrative whole-system thinking and practices in sustainable built environment, with a particular emphasis on urban neighbourhoods and buildings.

Papers should address various aspects of the sustainability issues and centre around the key topics of Sustainable Neighbourhood, Deep Building Renovation, High-performance Building and Community Empowerment.

Submitting your paper

To submit a paper send in your abstract before March 31, 2016. The abstract should be written in English and not exceed 300 words.

More information on the guidelines and key dates can be found [here](#).

Additional information

The World Sustainable Built Environment Conference 2017 is to be held on 5-7 June 2017 at the Hong Kong Convention and Exhibition Centre. It is jointly organised by the Construction Industry Council (CIC) and the HKGBC.

The three-day conference of WSBE17 Hong Kong will comprise inspirational keynotes, roundtables and over 100 parallel sessions and special forums, as well as a concurrent exhibition and green building tours, etc.

Furthermore, best papers and findings from around 20 SBE Regional Conferences to be held in 2016 in different cities in the world will be covered at this global event.

More information on the Conference can be found [here](#).
