Forthcoming Meeting

Research Roadmap on Public Private Partnerships
Consultation Workshop

CIB TG72 on Public Private Partnership (PPP) invites all present and prospective TG72 members and all others interested in Public Private Partnerships for Built Environment Projects to join and contribute to the Consultation Workshop on their PPP Research Roadmap (P3R2).

The consultation workshop will take place on Wednesday 1st of June from 11 a.m. to 12.30 p.m., during the CIB WBC 2016 in Tampere, Finland (May 30 till June 3, 2016).

Aim of the consultation workshop
TG72 expects to receive feedback and inputs that would help improve and refine the Consultation Report on the PPP Research Roadmap, which is now available for downloading here.

Background
The current version is the Draft of P3R2, which has been developed with a series of structured inputs. These include those obtained at [1] specific sessions to guide and inform its development, at: (a) the March 2013 PPP International Conference at Preston, UK; (b) the CIB World Building Congress in Brisbane in May 2013 and (c) the May 2014 CIB Joint Conference in Kandalama, Sri Lanka; as well as [2] structured country-specific outputs from the recently published book: Public Private Partnership: A Global Review, (Editors: Akintoye A, Beck M, and Kumaraswamy, M, Routledge, London, 2016, ISBN 978-04-415-72896-6).

Information
Information on the scope and objectives, programme and deliverables, meeting and members of TG72 can be found here.
