Fire Safety for All conference Dublin 2015

On April 9 and 10, 2015 the CIB co-sponsored 'Fire safety for all' Conference took place in Dublin. The conference focused on Real Accessibility: Effective Accessibility for People with Activity Limitations; an accessibility which actually works well for all potential building users.

The Conference was accredited for Continuing Professional Development by the Institution of Fire Engineers (IFE) and the Royal Institute of the Architects of Ireland (RIAI).
