2nd Call for Papers, Extended Deadline 10th Nordic Conference on Construction Economics and Organisation

Regional markets, networks and opportunities
7th – 8th May, 2019

TALLINN UNIVERSITY OF
TECHNOLOGY

Introduction

The Nordic Conference on Construction Economics and Organization is a biennial networking event for academics and industry professionals organised by the CREON (Construction Researchers on Economics and Organisation in the Nordic Region) Network and co-sponsored by CIB.

We are pleased to announce that the 10th Nordic Conference on Construction Economics and Organization will be held in Tallinn, Estonia from 7th to 8th May 2019, organized by Tallinn University of Technology's Department of Civil Engineering and Architecture.

The overall theme of this conference is: "regional markets, networks and opportunities" and specific topics include:

- The economics and business of construction
- Construction and project management
- Building information, data and digitalization
- Innovations in the construction process
- Sustainability and resource efficiency
- Stakeholders of construction and real estate
- Built environments
- Construction education and research
- Other topics linked to the overall conference theme

Authors are invited to submit an abstract (not exceeding 300 words) for consideration by the scientific committee. All abstracts must be in English and should be submitted through the online submissions system.
