Call for Papers
42nd AUBEA Conference 2018:
Educating Building Professionals for the Future:
Innovation, Technology in the Globalised World
Singapore, 26-28 September 2018

This is a call for papers for the 42nd AUBEA Conference 2018 that is hosted by CIB Member School of Design and the Built Environment at Curtin University in the Curtin Singapore campus.

Full papers relevant to the conference are invited for consideration through the conference website (www.aubea2018.com.au).

Sub themes

- Sustainability
- Technology
- Innovation

Key dates

Abstract submission deadline	15 March '18
Full papers submission deadline (for peer review)	31 May '18
Conference registration open	1 June '18
Full papers submission deadline (camera ready papers)	31 July '18
42nd AUBEA Conference	26-28 September '18

Manuscripts submitted to the conference will be double peer-reviewed to ensure high standard of quality for the inclusion to the conference proceeding.

Selected high quality papers may be invited to expand their papers for further consideration in a special issue in the Construction Economics and Building journal, ISSN 2204-9029

<http://epress.lib.uts.edu.au/journals/index.php/AJCEB> and the Journal of Built Environment Project and Asset Management (BEPAM), ISSN 2044-124X
<http://www.emeraldinsight.com/bepam.htm>.

We also encourage student papers from current or recently completed HDR/PhD students.
