**CIB Co-Sponsored Conference Call for Abstracts
SBE 2019 Milan, Italy
Resilient Built Environment for Sustainable Mediterranean Countries**

**SBE19 - Resilient Built Environment for Sustainable
Mediterranean Countries**

We are delighted to announce the Sustainable Built Environment (SBE) Regional Conference 2019 as a platform for sharing research and innovation between researchers and practitioners of the construction sector. The focus relies on Resilient Built Environment for Sustainable Mediterranean Countries.

The international conference, belonging to the Sustainable Built Environment (SBE) series of conferences, is organized by Politecnico di Milano with five international organizations:

- International Council for Research and Innovation in Building and Construction (CIB, www.cibworld.nl);
- International Initiative for a Sustainable Built Environment (iiSBE, www.iisbe.org);
- Division of Technology, Industry and Economics (DTIE) of the United Nations Environment Programme (UNEP-SBCI, Sustainable Building and Climate Initiative, www.unep.org/sbci/);
- International Federation of Consulting Engineers (www.fidic.org);
- Global Alliance for Buildings and Construction, Global ABC (www.gabc.org).
