

October 2018

**REMINDER and EXTENDED DEADLINE
CIB Co-Sponsored Conference Call for Papers
SBE 2019 Helsinki
Emerging Concepts for Sustainability**

The Global SBE series gathers again in Helsinki to share latest knowledge and development trends in sustainable built environment.

The Conference themes will cover e.g. resource efficiency, circular economy, healthy spaces, net positivity, business concepts and frugal innovation.

The SBE19 Helsinki edition 22-24 May 2019 debates how our Clean Planet with its Happy People can share Prosperity for present and future generations. Emerging Concepts range from climate change mitigation and adaptation, circularity, net positive approach and ecological handprint, healthy indoor and outdoor environments, business models for value and risk optimization and nature-based solutions to frugal innovation.

To make this a game changing event, ensure your presence in SBE19 Helsinki. Bring your ideas and inform your networks about this opportunity.
