Short CV

Jennifer Charlson is qualified as a Chartered Engineer and Solicitor with an MBA. She is currently a Senior Lecturer in the Architecture and Built Environment School at the University of Wolverhampton.

Before moving into academia, Jennifer worked as a Senior Solicitor for Carillion plc having qualified as a solicitor in private practice. She previously worked for the BBC as a Projects Engineer. Her first degree is in Engineering Science from the University of Oxford.

She is a Fellow of the Institution of Engineering and Technology and the Higher Education Academy. She specialises in researching and lecturing on construction and engineering law.

Jennifer has an area of expertise and research interest in the Construction and Engineering Law.

Jennifer's professional qualifications are:

- Master of Arts (University of Oxford)
- Master of Business Administration
- Chartered Engineer
- Fellow of the Institution of Engineering and Technology
- Fellow of the Higher Education Academy
- Solicitor of the Supreme Court

Personal Statement

I am delighted to have been appointed and look forward to delivering in accordance with the CIB W113 – Law and Dispute Resolution Commission's mission statement, future strategy and strategic plan previously communicated by my Joint Coordinator, Dr Andrew Agapiou.

With construction and engineering industry backgrounds and my current academic role, I aim combine both perspectives and apply them within the CIB W113 Law and Dispute Resolution Commission.

Information
